SAM WILLESEE

SALES CONSULTANT

0468959898

swillesee@fngenesis.com.au

Sam Willesee's journey in real estate began over six years ago through his own passion for property investment. What started as a single investment property has now grown into a substantial, multi-property portfolio spanning several states across Australia. Throughout this journey, Sam has been hands-on in every aspect of the process, from buying and selling to renovating and negotiating, gaining real-world insight into different market conditions and what drives strong results.

Sam's purpose is to help others navigate the same journey, so he formalised his experience with a Diploma in Real Estate to become a fully licensed real estate professional. Sam brings practical knowledge, a calm approach and genuine care for people into the sales arena to help his clients make one of life's biggest decisions, where they call home and where/when to invest.

JONATHAN CLOVER

DIRECTOR / SALES COACH / AUCTIONEER

0439 688 075

jclover@genesisrealtygroup.com.au

Working within his father's real estate agency since the age of 16, Jonathan has done most roles within a real estate office including pushing a mop and broom around, analyzing marketing and property trends, managing client engagement...

"My dad owns a real estate office in Canada, my grandfather started what became the largest agency on Vancouver Island at the time, my uncle runs one of the largest commercial real estate agencies in British Columbia... it's a genetic disorder in our family" Jonathan remarks.

"A lot of people ask me why I am in real estate?" Jonathan says the answer is simple, "Aside from my faith and family there are 3 things that get me up in the morning. I love meeting and helping people, I value our shared community, and I am passionate about property. This is the perfect industry for me!"

The last decade has seen Jonathan progress from a business consultant within the real estate and business broking industry to the WA /NT State Manager of First National Real Estate, Australia's largest group of independent real estate agents. He is now the Director and Sales Coach of his very own First National Real Estate Office.

DAMIAN MARTIN

PARTNER / SALES CONSULTANT

0432 269 444

dmartin@fngenesis.com.au

"When I first heard that Damian attained his Real Estate sales registration, I knew he would be a successful agent!" says Director Jonathan Clover. "As a defensive player of the year 6 times and 4 time Champion in the National Basketball League of Australia, Damian is used to sacrificing for his team and being dedicated to process. Real estate is no different. It's about making sacrifices and putting it all on the line for the client, and being dedicated to a proven process without cutting corners or letting ego get in the way"

Damian says "I joined First National Genesis because their values (People, Community, Property...in that order) align with my own. I also know how beneficial having the right coaches, trainers and support staff are to becoming the best version of yourself!" Damian also notes that partnering with the company director Jonathan Clover will be great to grow his knowledge of real estate and fine tune his negotiation skills.

MARK HUTCHINGS

"When we first sat down together, I could tell Mark had a strong business mind, asking good questions and was quick to understand marketing strategies", company Director Jonathan Clover noted. "A reputation of loyalty to his team-mates, commitment to the heavy training regime of being a professional athlete and a very competitive character to get the best outcomes all give me confidence that our clients are in good hands with Mark." Why real estate? Mark's "people first" ethos and keen interest in property have drawn him into the property industry and he has submerged himself gaining a huge amount of knowledge and experience as he works alongside veteran agent and company director, Jonathan Clover.
